PROFESSIONAL SUMMARY

B.Tech Information Technology student at MIT ADT University (5th Semester) with hands-on internship experience in full-stack web development and database management. Demonstrated ability to build and deploy responsive web applications using HTML, CSS, JavaScript, and MySQL. Developed two independent projects — an e-commerce platform and an agri-supply marketplace — from concept to deployment. Seeking a web development or IT internship where I can contribute to real-world products and grow alongside an experienced engineering team.

TECHNICAL SKILLS

Languages: C, Python, Java, JavaScript

Web Development: HTML5, CSS, JavaScript

Database: MySQL, DBMS Concepts, SQL queries, schema design

Tools & Platforms: Git, GitHub, VS Code, Netlify

Core CS : Data Structures & Algorithms (Arrays, Strings, Linked Lists, Trees)

Soft Skills: Problem Solving, Time Management, Team Collaboration, Critical Thinking, Logical Thinking

WORK EXPERIENCE

Web Development Intern | Shambhuraavi Polypplast

Jun 2025 – Jul 2025

- Built a responsive website for 10+ products using HTML & CSS; deployed on a live hosting platform with cross-browser compatibility.
- Collaborated with stakeholders to gather requirements and delivered the project on time.

PROJECTS

BuildSource – E-Commerce Platform

2025- Present

- Developed a platform for construction material procurement with a cart system and role-based access for buyers and suppliers.
- Designed the MySQL database schema for products, users, and orders.

Farmer–Supplier Connect Platform

2024

- Built a marketplace connecting farmers and suppliers with product listings, search/filter, and user messaging features.
- Managed backend data using MySQL with normalized tables for users, listings, and transactions.

EDUCATION

Bachelor of Technology – Information Technology | MIT ADT University, Pune

2023 – Present

Currently in 6th Semester | CGPA: 8.80

Higher Secondary Certificate (HSC) – Science | Dhole Patil Junior College, Pune

Completed 2023

Percentage: 73.50%

Secondary School Certificate – CBSE Class X | Prodigy Public School, Pune

Completed 2021

Percentage: 87%

CERTIFICATIONS

- C Programming Training – Spoken Tutorial Project, IIT Bombay
- Java Training – Spoken Tutorial Project, IIT Bombay
- Introduction to Cybersecurity Fundamentals – Coursera
- Database Structures and Management with MySQL – Meta (Coursera)
